Nicky Morgan, Secretary of State for Education, speaks at the Sunday Times Festival of Education.

Nicky Morgan discusses the future of education in England ...

In the United Kingdom, the General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland. State education in Scotland does not use GCSEs, instead its Scottish Qualifications Certificate operates National / Intermediate exams at the equivalent level, however, certain ...

General Certificate of Secondary Education - Wikipedia

The General Certificate of Education (GCE) Advanced Level, or A Level, is a main school leaving qualification in England, Wales, Northern Ireland, the Channel Islands and the Isle of Man. It is available as an alternative qualification in other countries. It used to be the case that students would study over a two-year period, and that they would sit examinations at the end of each year (AS and ...

The US is New Zealand's second largest export market and third in import terms. This had made the NZD to USD exchange rate a focus of our money transfer team for many years. The NZD/USD exchange rate can be volatile at times, especially during peaks and troughs of the cash rate

cycles.The NZD is considered a “growth” currency, and the USD a “safe haven” currency.
