Organizational Behavior 10 Edition Mcgraw

The Fifth Edition of Organizational Behavior targets undergraduates and MBA programs and is the most current text on the market. Kreitner and Kinicki's approach to organizational behavior is based on the authors' belief that reading a comprehensive textbook is hard work, but that the process should be interesting (and sometimes fun).

1 Introduction. Many scholars have documented the way information and communication technologies (ICTs) have been entwined with major changes in society since the invention of electrical telegraphy in the 1830s. 1 For some, the early ICTs, as well as those stemming from the invention of the microprocessor in the late 1960s, are best characterized as being revolutionary.
