If you've ever read anything related to achievement, motivation or personal development, you've no doubt come across the idea of Goal Setting. More often than not, the conversation revolves around setting SMART goals. This is an acronym for goals that are:

### **Are DUMB Goals Better Than SMART Goals? | Michael D. Pollock**

Your attitude plays a key role in shaping your approach to work. As John C Maxwell explains in his book The Difference Maker, a good attitude is a valuable asset that keeps you going. Cultivating the right attitude for professional success takes effort however. Appreciating the importance of humility is a key way to sustain your attitude.
