CYC-Net: The International Child and Youth Care Network

Youth work is community support activity aimed at older children and adolescents. Depending upon the culture and the community, different services and institutions may exist for this purpose. In the United Kingdom youth work is the process of creating an environment where young people can engage in informal educational activities. Different varieties of youth work include centre-based work ...

Youth work - Wikipedia

Youth unemployment is the unemployment of young people, defined by the United Nations as 15–24 years old. An unemployed person is defined as someone who does not have a job but is actively seeking work. In order to qualify as unemployed for official and statistical measurement, the individual must be without employment, willing and able to work, of the officially designated 'working age' and ...

A Primary Care Intervention to Prevent Repeat Pregnancy Among Teen Mothers A medical home intervention was implemented with the goal of reducing unintended repeat teen pregnancies in the first 2 years postpartum. Mothers in the intervention group were half as likely as mothers in the control group to have a repeat pregnancy within 2 years and had higher rates of contraceptive use.
